Disclaimer:
Wildfire perimeters for the current fire season, including the most recent perimeters, are preliminary and subject to change. The data is extracted from operational systems nightly to the public map. Wildfire data may not reflect the most current situation and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when particulars and the circumstance of individual fire updates are received. Wildfire data is provided for reference purposes only and should not be relied on as accurate or complete. The status of wildfires and perimeters can change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
