Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are acquired from various sources and are subject to change. Please refer to the most nights to the public map. Wildfire data may not reflect the current situation on the ground and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only. Fire behaviour and the nature of forecast fires are dynamic and circumstances may change quickly. The levels of current fire activity within the province can vary widely.
