Disclaimer:
Wildfire premises for the current fire location, including both active and inactive fires, are supplied from various sources. Due to the dynamic nature of wildfire and property rights to the public map, Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when information is received and verified, but may not be complete or 100% up to date. The information is intended for general purposes only and should not be relied on as accurate or complete. The BC Wildfire Service assumes no liability for change quickly. The levels of current fire activity within the province's forests can vary widely.
