This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources and may not be accurate. Perimeters are displayed rightly in the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for planning purposes.

Wildfire data from the Incident_A updated when practicable and the occurrence of individual fire updates may vary. Fire perimeters displayed are the best available accuracy only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. Areas within the fire perimeters within the mapped fire perimeters can vary widely.
