This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent wildfire perimeters, are received from sources. The data is extracted from operational systems nightly to the public map. Wildfire data may not reflect current fire situation and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only. Wildfire is a dynamic situation because fires are dynamic and circumstances may change rapidly. Please verify the information being within the mapped fire perimeters can vary widely.
