This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent perimeter updates, are received from various sources. The data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect the most current fire situation and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only. Wildfire data is subject to change since fires are dynamic and circumstances may change rapidly. Please contact the fire centre listed above the mapped fire perimeters can vary widely.
