Assessments (OSPR section 36.1)

Type	Required	Completed
Visual Impact Assessment	No	No
Gully Assessment	No	No
Pest Incidence Survey	No	No
Archaeological Impact Assessment	No	No

Minimum Characteristics of Leave Trees

The procedures required by regulation have been followed for any assessment that is required under section 36.1 of the Operational and Site Planning Regulation (OSPR). This site plan is consistent with the results and recommendations of any assessment required under section 36.1 of the Operational and Site Planning Regulation.
