

**ORDER TO ESTABLISH OBJECTIVES FOR A
RECREATION SITE, RECREATION TRAIL OR
INTERPRETATIVE FOREST SITE**

Notice is hereby given that, pursuant to Section 56(4) of the *Forest and Range Practices Act*, objectives for the following Ministry of Forests Recreation Site and Forest Recreation Trails are to be established effective November 28, 2005.

Powell River Winter Recreation Area and Recreation Trail System, Project No: 16660-20/6512.

The objectives are to manage the Powell River Winter Recreation Site and Trails for a roaded and semi primitive recreation experience. Opportunities for backcountry skiing, snowshoeing, hiking and motorized vehicle use will be provided. Road access to the "A" Branch cabin will be maintained to four-wheel drive standards from June to October. Road access to the "E" Branch cabin will be maintained to four-wheel drive or all terrain vehicle standards from June to October. The area will be managed under Agreement with the Knuckleheads Winter Recreation Association. All trails will be maintained and enhanced for multi-purpose use. Cabins and facilities will be maintained.

Greg Hemphill, District Manager
Sunshine Coast Forest District
