

**Order to Establish Objectives for a Recreation Site,
Recreation Trail or Interpretive Forest Site**

Notice is hereby given that, pursuant to Section 6(3) of the *Forest Practices Code of British Columbia Act*, objectives for the following Ministry of Forest recreation sites are to be established effective July 1, 2000:

Dinner Rock Recreation Site, Project 900-0287

The objectives are to manage the Dinner Rock Recreation Site for a roaded recreation experience. Opportunities for camping, picnicking and small water craft activities will be available. The boat launch will be maintained for car toppers, kayaks and canoes only. Gravel road access to the site will be maintained for two wheel drive vehicles from late May to early October.

Klein Lake Recreation Site, Project 900-0134

The objectives are to manage the Klein Lake Recreation Site for a roaded recreation experience. Opportunities for swimming, camping, picnicking and small water craft activities will be available. Gravel road access to the site will be maintained for two wheel drive vehicles from late May to mid September.

Freke Anchorage Recreation Site, Project 900-6670

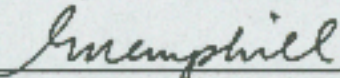

The objectives are to manage the Freke Anchorage Recreation Site for a semi-primitive recreation experience. Opportunities for camping, picnicking and small water craft activities will be available. The access to this site will primarily be from the Okeover Inlet.

Lewis Lake Recreation Site, Project 900-3007

The objectives are to manage the Lewis Lake Recreation Site for a roaded recreation experience. Opportunities for bathing, camping and exploring activities will be available. Gravel road access to the site will be maintained for two wheel drive vehicles from late May to mid September.

Secret Cove Recreation Site, Project 900-0383

The objectives are to manage the Secret Cove Creek Recreation Site as a roaded recreation experience. Hiking and nature viewing will be available.

Greg Hemphill, District Manager
Sunshine Coast Forest District
