Order to Establish Objectives for a Recreation Site, Recreation Trail or Interpretive Forest Site

Notice is hereby given that, pursuant to Section 6(3) of the *Forest Practices Code of British Columbia Act*, objectives for the following Ministry of Forests recreation sites are to be established effective May 31, 2001:

Bob's Lake Recreation Site - Project 9000139

The objectives are to manage Bob's Lake recreation site for a roaded recreation experience. Opportunities for camping, picnicking and small watercraft activities will be available. The boat launch will be maintained for car toppers, kayaks and canoes only. Road access to the site will be maintained for two-wheel drive vehicles from late May to early October.

Cook Bay Recreation Site - Project 9000140

The objectives are to manage the Cook Bay Recreation Site for a roaded recreation experience at Shingle Beach. Opportunities for swimming, camping, picnicking and small watercraft activities will be available. Road access to Shingle Beach will be maintained for two-wheel drive vehicles from late May to mid September. The remainder of the site will be managed as a remote, boat accessible site available for small craft camping offering swimming, picnicking and other small craft activities.

Freda Lake Recreation Site - Project 9000293

The objectives are to manage the Freda Lake Recreation Site for a roaded recreation experience. Opportunities for swimming, camping, picnicking and small watercraft activities will be available. Road access to the site will be maintained for four-wheel drive vehicles from late May to mid September.

Khartoum Lake Recreation Site - Project 9000142

The objectives are to manage the Khartoum Lake Recreation Site for a roaded recreation experience as part of the Powell Forest Canoe Route. Opportunities for swimming, camping, picnicking and small watercraft activities will be available. Road access to the site will be maintained for two-wheel drive vehicles from late May to mid September.

Tony Lake Recreation Site - Project ~~9000383~~

The objectives are to manage the Tony Lake Recreation Site for a roaded recreation experience. Opportunities for swimming, camping, picnicking and small watercraft activities will be available. Road access to the site will be maintained for four-wheel drive vehicles from late May to mid September.

Sprockids Recreation Site - Project 9006768

The objectives are to manage the Sprockids Recreation Site for a roaded recreation experience providing a mountain bike trail / hiking trail area. The area will be managed and maintained co-operatively with the Ministry of Forests and the Gibson's Sprockids Mountain Bike Program.

Lois Boat Launch Recreation Site - Project 9006700

The objectives are to manage the Lois Boat Launch Recreation Site for a roaded recreation experience. Opportunities for swimming, camping, picnicking and small craft activities will be available. Road access to the site will be maintained for two-wheel drive vehicles under Weyerhaeuser Company Limited's TFL 39, Block 1 road policy.

Greg Hemphill, District Manager
Sunshine Coast Forest District
