

Dear National Forestry week
Comittee. Thank you for a great
time while we where there. My
most favourite part of the feild
trip was when we went to
all the stations and I learned a
few new trees and pinecons.
Anothere great part was learning
the Steam Donkey. Thanks for the
awesome trip! From: Jordan at JP II.

Dear National Forestry Week Committee,

Thank you for teaching us all about trees, wood, plants,

pinecones and more. My favorite part was getting to

be the predator in the creek. I got to poke people

with ferns! I also had alot of fun learning

about different types and sizes of pinecones.

from Shannah at JP II

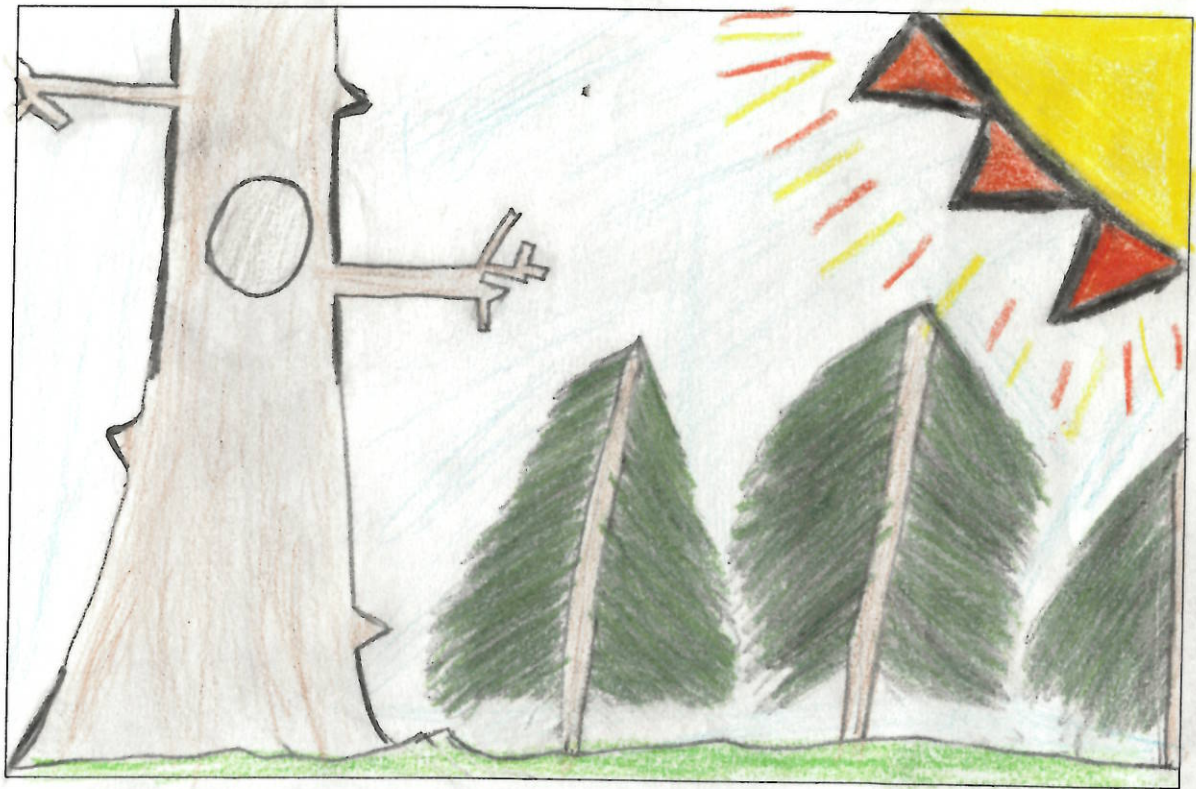

Dear National Forestry week committee,
Thank you for teaching me stuff I do
not know like the age lines of
wood. That was a wonderful field
trip. It was so amazing. Have a nice
day! From, Deanna at JP2

Dear National Forestry
Week Committee, Thank you for
letting me come!! The train ride
was super fun!! Learning about bugs
was fantastic!

Dear National Forestry Week committee

Thank you for an amazing field trip. My favourite part was the steam donkey. I like how loud it is and I love where we got to extinguish the fake fire.

From Dominik at Jp 2

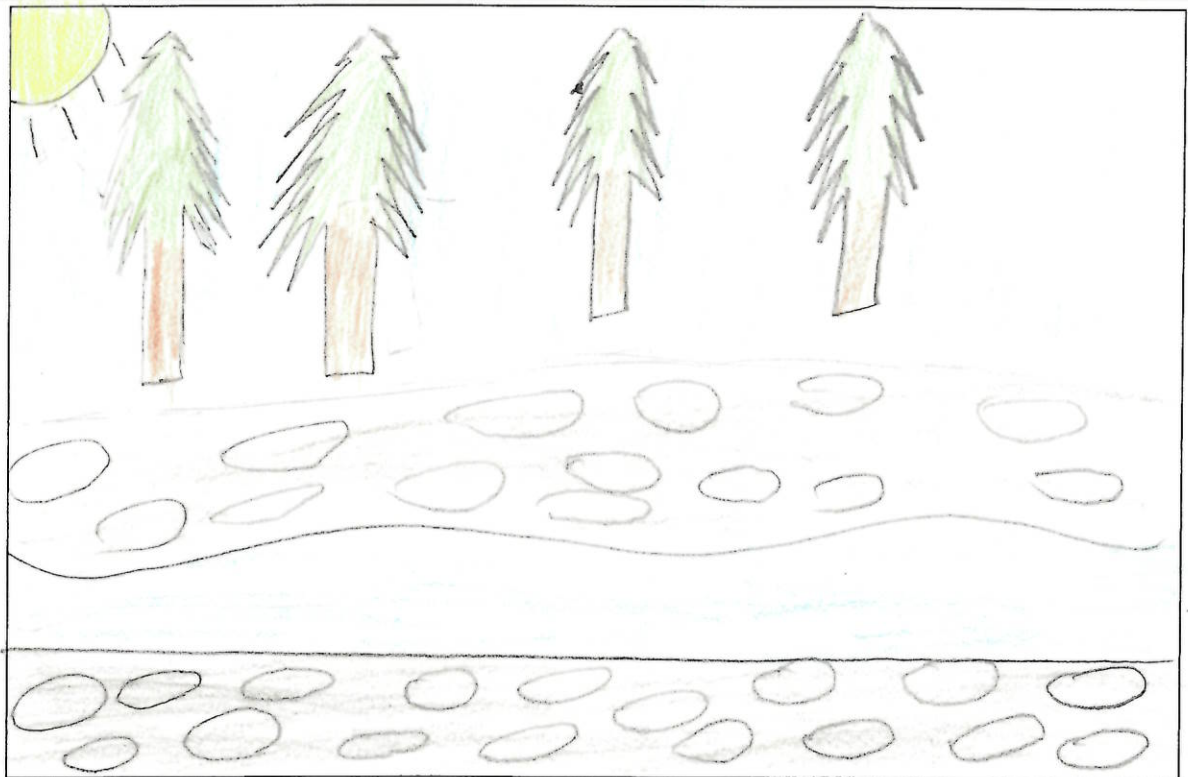

Dear National Forestry week committee
The

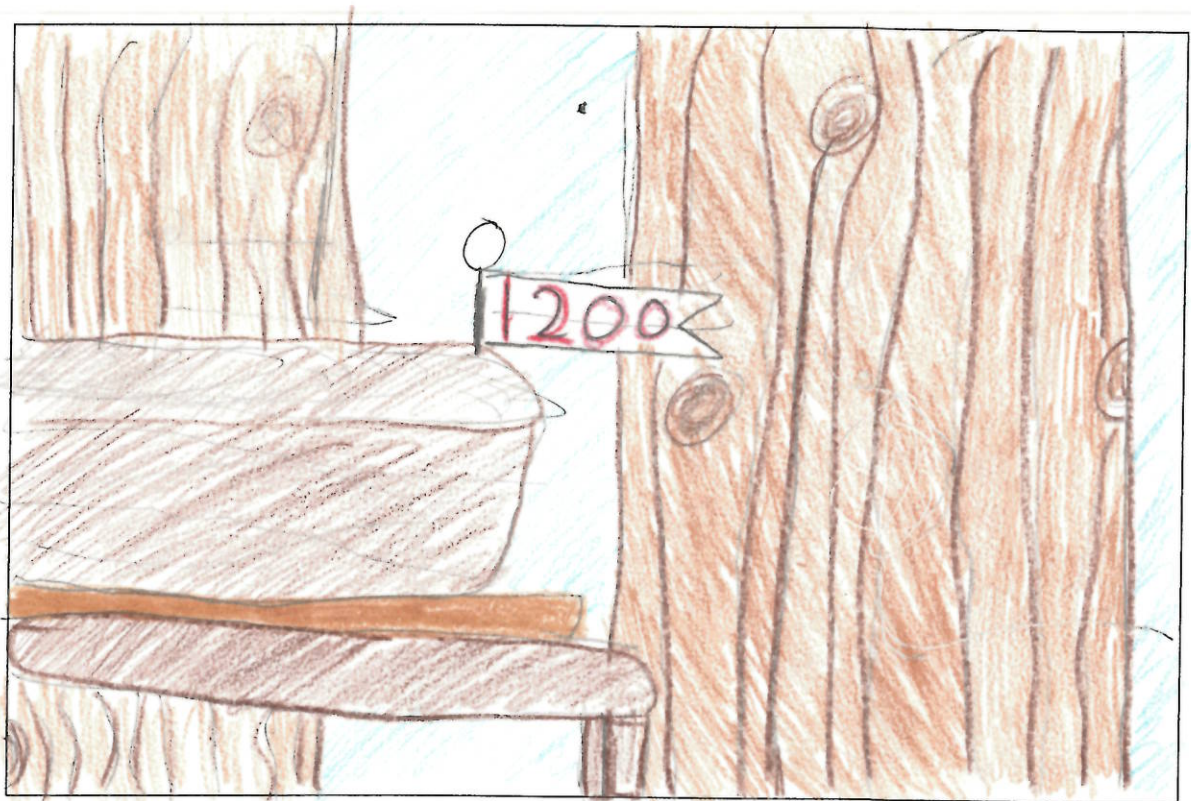

Thank you for making this field trip
happen. We had so much fun. My favourite
part was the fire fighter station. Thank you
so much and have an Awesome day. From Alexa
at JP2

Dear National Forestry week
Committee, we are very thankful you
invited us to McClean Mill and taught
us about trees and how they produce
air for us to breathe. From Alvin an JP II

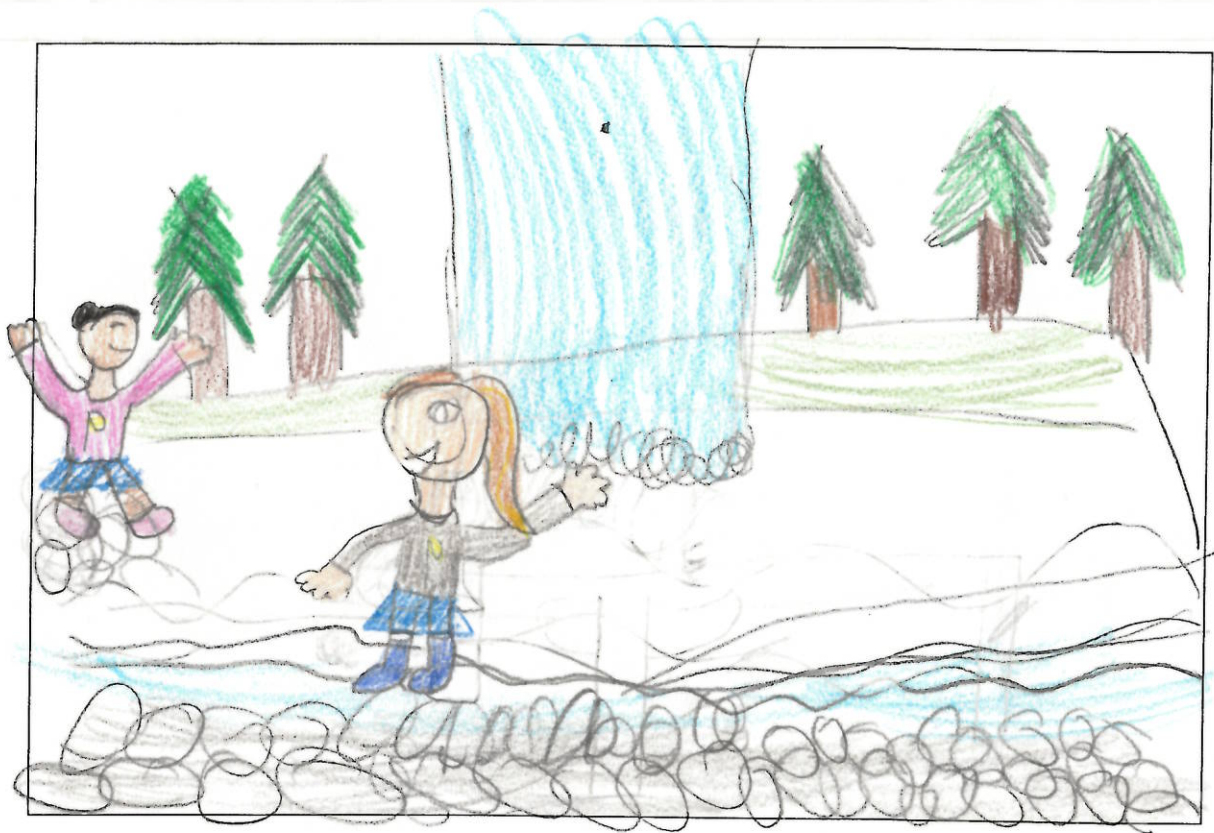

Dear National Forestry Week
Committee, thank you so much for
teaching me about the trees and
how long it actually takes for a
tree to get that big. I also
enjoyed hiding my fingers
in the mud. From, Kairi at JPII

Dear National Forestry Week
Committee, thank you for
the best day of my life!
I really liked the fire fighting
Station and the Steam donkey,

Dear National Forestry Week
Committee thank you for all the
grate educational day. Thank you
for the gifts and the end of
the field trip. I loved the
train ride and every thing else. from
Lex at JP II

From Sage at JP II

Dear National Forestry Week Committee,
Thank you for all the educational field
trip to Mclean Mill and letting us
go on the train. What I like about
the trip was watching the steam
donkey in action and learning the names
of plants and playing games. Thank you!

Dear National Forestry
Week Committee, thank you
for a great field trip.
I loved the walk in the
forest and spraying the
hoses at the end.

From Sam
at J.P. II

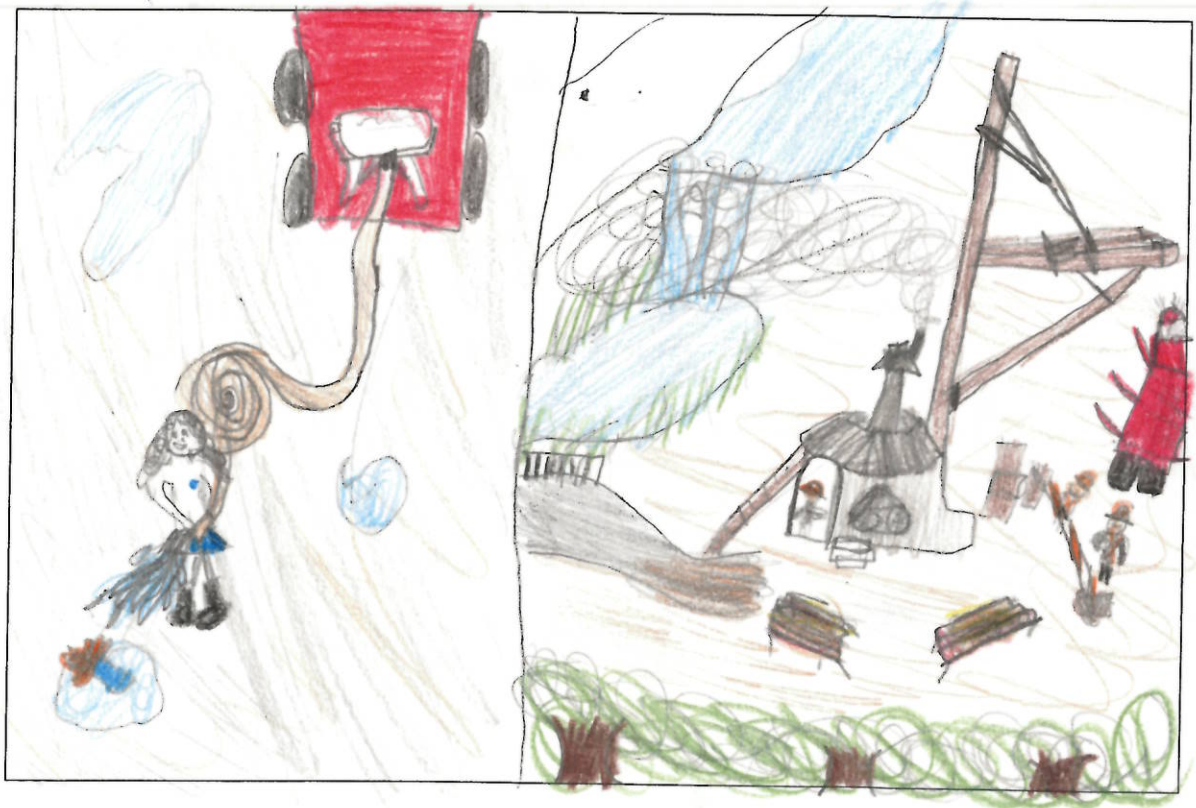

Dear National Forestry Committee, Thank you for all the wonderful education and the fun field trip. My first favourite part of the whole field trip was where we got to a station where we hid our fingers in sticks, leaves, and rocks where you guys tried to roar my fingers out to cover my ears. My second favourite part was when we got to shoot a fire hose and I got sprayed all over me. My third favourite part was when we got to see all the trees and pincones. I loved how we got to learn so so much about trees and fish. Thanks for having us!

From:
Sophia at JP II

Dear National Forestry
Web Committee thank you for
a great day. My two favorite
parts were forest fires station and
the logging show! That was cool!
I really liked when we got
to spray the "fires" with the
big hose. I also liked the part
of the show when you lifted
the logs onto the truck. Thanks
again for the great day! from: Ella at JPII
