Map Notes
Map contents are for illustration purposes only and are representative of data captured from varying sources using differing scale and accuracy. Exact locations of specific map features or in relation to adjacent or corresponding features should be determined on the ground.

In many instances, only information pertinent to the FSP and more specifically to the Forest Development Unit has been displayed on the map. Information that does not intersect the Forest Development Unit such as road permits outside the Forest Development Unit, etc., may not be shown.
