FLTC Number _____

FLTC Application Check List

✓ or NA

The professional application package I am submitting includes the following:

	Application for Forestry License to Cut with FLTC# and Submission ID
	FLTC referral summary
	Stumpage rate request form
	Site plan
	Two 1:10,000 site plan maps
	Two 1:50,000 location maps

and if applicable also includes the following:

	Road Use/Maintenance agreement with the road permittee/primary user
	Road Use Permit application (if total volume to be hauled exceeds 2,000 m^3)
	Written permission from the Ministry of Transportation and Infrastructure, BC Hydro, BCTC, Telus, Pacific Northern Gas, or Coastal GasLink
	Culturally Modified Tree survey information
	Archaeological impact assessment
	Authorization to damage and repair a range development on Crown range
	Douglas-fir or spruce beetle ground survey information
	Trapper notification
	Guide outfitter notification
	Omineca Environmental Stewardship Initiative (ESI) Practices and Rationale

I have checked the following:

	I am registered with Stuart Nechako District as a Small Scale Salvage client
	My application area is isolated patch(es) of at least 60% damaged timber and not more than 2,000 m3 that would otherwise not be harvested
	Natural range barriers will not be removed by my salvage operations
	I will not exceed 3 FLTCs where primary harvest is not yet complete
	I will not exceed maximum total volume of 6000m^3 /year (Jan 1- Dec 31)
