Re: Deputization of Timber Sales Manager

I hereby appoint the Timber Sales Manager of the Stuart Nechako Business Area to act as Timber Sales Manager in the Prince George Business Area effectively immediately. This provides for all the same duties and authorities as the actual Timber Sales Manager in the Prince George Business Area as per section 23(3) of the *Interpretation Act*.

Specifically the purpose of this Deputization is to enable the exercise of the functions of a Timber Sales Manager with regard to administering the Blackwater Road Project, a collaboration project between BC Timber Sales and the Minister of Transportation and Infrastructure.

Yours truly,

Mike Falkiner
Executive Director
Field Operations Division
