

File: 265-20 Delegations and Designations 2013

Re: Designation of Minister's Authority

Various sections of the *Forest Act* and its regulations enable the Minister of Forests, Lands and Natural Resource Operations to authorize a person to carry out duties and powers under that section or to appoint a Minister's delegate.

This table replaces all previous designations under the *Forest Act*.

Your signature on this memorandum signifies approval of these designations.

Forest Act Designations

Section	Designation	Rationale
Section 13 (1) (a) (ii), (2), 3 (a) and (c), (4) & (5) [Applications] This section provides the Minister or person authorized by the Minister authority to invite and approve forest licence applications.	Regional Executive Director	This designation will ensure that forest licences are issued in a timely manner. As forest licences cross forest district boundaries, regional executive directors are the appropriate official for this function.
Section 13.1 (1) (a) (ii), (2) (a) and (c), (3) and (6) (b) [Direct award of forest licence to produce bioenergy] This section provides authority to the Minister or a person authorized by the Minister to specify the requirements for and qualifications of a bioenergy applicant for a forest licence and the authority to enter into the forest licence with the eligible bioenergy applicant.	Regional Executive Director	This designation is consistent with the designation of the regional executive director to offer a forest licence under section 13, ensuring consistent administration in forest licence application evaluation and award.

Designation of Minister's Authority under the *Forest Act* and regulations

Section	Designation	Rationale
Section 15 (1.1), (1.2) and (2) [Replacement] This section provides the Minister or authorized person the authority to offer and issue a replacement licence to a forest holder.	Regional Executive Director	These designations will ensure that replacement licences can be issued in a timely manner. Regional executive directors are the appropriate official due to their expertise in dealing with forest licences.
Section 15 (3) (a) and (b) and 5 (b) [Replacement] This section provides the Minister or authorized person the authority to offer and issue a replacement licence to a forest licence holder.	Regional Executive Director	These designations will ensure that replacement licences can be issued in a timely manner. Regional executive directors are the appropriate official due to their expertise in dealing with forest licences.
Section 15.1 (3) [Transition for forest licence replacement] This section provides the authority for the Minister or person authorized by the minister to offer a replacement for a forest licence under transition provisions relating to forest licence replacements.	Regional Executive Director	This designation is consistent with the designation of the regional executive director to offer a replacement licence under section 15, ensuring consistent administration in forest licence application evaluation and award.
Section 28 (1) and (3) [Rights not in tree farm licence] This section requires a timber licence holder to provide a harvesting schedule for a licence set to expire as a result of the termination or expiry of a tree farm licence.	Regional Executive Director	Designating the Regional Executive Director is consistent with roles and responsibilities in the administration of timber licences. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
Section 43.3 (b) [Content of community forest agreements] This section requires the Minister or person authorized by the minister to determine the community forest agreement area.	Regional Executive Director	Regional executive directors carry out all other functions respecting these agreements and are therefore the appropriate official to determine a community forest agreement area.
Section 43.7 (1), (2), (3), (4) and (5) [Community salvage licence applications] The section authorizes the Minister or person authorized by the Minister to invite, evaluate and approve community salvage licences.	Regional Executive Director	Designating the regional executive director will ensure consistency in the manner in which this licence is administered, and is consistent with the regional executive director's role for community forest agreements.

Designation of Minister's Authority under the *Forest Act* and regulations

Section	Designation	Rationale
Section 44 (3) (a) [Applications] This section sets out the woodlot licence application process. Subsection 3 requires that an application is to be made to the minister or minister's designate.	Regional Executive Director	Designating this section is consistent with the other duties and responsibilities associated with woodlot licence administration, which are the responsibility of the regional executive director. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
Section 46 (6) (b) [Replacement] This section sets out the woodlot licence replacement process. Subsection 6 requires that an accepted offer of replacement is to be made to the minister or minister's designate.	Regional Executive Director	Designating this section is consistent with the other duties and responsibilities associated with woodlot licence administration, which are the responsibility of the regional executive director. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
48 (3) (a) [Free use permit] This section sets out who can be issued a free use permit. Subsection (3) (a) requires that a person who wishes to harvest timber for traditional or cultural reasons and requires more than 50m ³ to apply to the minister or designate.	District Manager	Free use permits are administered by the district managers. Designating this section to district managers will ensure consistent administration of free use permits. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
49 (3) [Issuance and content of free use permit] This section sets the content of a free use permit and the requirements for issuance. Subsection 3 allows for a review of a decision made relating to the term and volume of the permit.	Regional Executive Director	Designating the ability to review a decision to the regional executive director is consistent the administration of other small tenures. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .

<p>Section 75.4 (4.1) [Cut Control of major licences]</p> <p>This section sets out the cut control rules for major licences. Subsection (4.1) sets out the termination requirements for a woodlot, for any cut control period.</p>	<p>District Manager</p>	<p>The designation will allow the written notice required under this section o be delivered to the district manager.</p> <p>The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i>.</p>

Section	Designation	Rationale
Section 75.92 [Relief]. This section provides the ability to grant the holder of a forest licence, timber sale licence that specifies and AAC, woodlot licence, or tree farm licence, full or partial relief from a penalty for exceeding cut control limits.	Assistant Deputy Minister (Area) – Forest Licences Regional Executive Director – Woodlot Licences and Timber Sale Licences that specify an AAC	This designation will ensure that routine cut control decisions are made by the applicable decision maker. The ability to provide relief from cut control to tree farm licences holders remain with Minister.
Section 82 [Timber marking: interpretation] The term “registrar” is defined as the person designated by the minister to administer timber marks and marine log brands.	Assistant Deputy Minister, Tenures, Competitiveness and Innovation	Designating the Assistant Deputy Minister, Tenures, Competitiveness and Innovation is consistent with assistant deputy minister’s role in overseeing the program to ensure provincial consistency for timber marking administration.
Section 97 (1) (f) and (2) [Scale return] This section requires the details of a scale to be delivered to the minister or a designate.	Regional Executive Director District Manager	The designation to regional executive directors and district managers will ensure efficient timber scaling operations. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
Section 99 (3) [Section scale and second check scale] This section allows a scaler to request a second check scale, if a scale has been replaced by a second scale. This request must be made to a person designated by the minister.	Regional Executive Director District Manager Forest Officer	The designation to regional executive directors, district managers and forest officers will ensure efficient timber scaling operations. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
Section 115 (1) (a) and (b) [Road permits and road use permits for timber harvesting] Under this section a licence holder may apply to a person designated by the minister for a road permit or road use permit.	District Manager	The designation to district managers will allow for the applications for road permits and road use permits to be processed in a timely manner. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .

Section	Designation	Rationale
Section 117 (1) [Road use permits for industrial use] Under this section a person without a licence to harvest timber who wishes to use a forest service road must apply the minister for a road use permit.	District Manager	The designation to district managers will allow for the applications for road permits and road use permits to be processed in a timely manner. The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i> .
Section 121 (7) [Road and trail construction] Under this section, the minister may designate employees to prepare explanatory plans for the purposes of dedicating forest service roads to government or expropriating land for roads.	Director, Forest Tenures Branch	The director has been delegated the authority under section 121 to deal the taking of land for forest service roads to which this provision relates.
Section 136 (1.1) and (2) [Records and returns] Under this section, persons must keep accurate records relating to their agreement or timber processing facility. This information can be inspected by a ministry official designated by the minister. As well, agreement holders or timber processing facility operators must report specified information to a person designated by the minister.	Regional Executive Director Revenue Accountant, Southern Interior Forest Region Audit Accountant, Northern Interior Forest Region Director, Timber Pricing Branch Senior Timber Pricing Accountant (Interior), Timber Pricing Branch Timber Pricing Accountant (Interior), Timber Pricing Branch Senior Timber Pricing Accountant (Coast), Timber Pricing Branch	Due to the sensitive nature of the data requested, these designations are required so that the appropriately qualified ministry personnel have the legislative authority to receive, question and inspect records pertaining to the information described in section 136. The persons designated have the required qualifications to carry out this sensitive task.

Section	Designation	Rationale
<p>Section 143 (2) (b) [Determinations that may be reviewed]</p> <p>This section provides that certain determinations, orders or decisions may be reviewed by a person authorized by the minister.</p>	<p>For a determination, order or decision made by a Timber Sale Manager the designation is to Regional Executive Director and Executive Director, BC Timber Sales</p> <p>For a determination, order or decision made by the District Manager the designation is to the Regional Executive Director.</p> <p>For determination, order or decision made by Regional Executive Director the designation is made to the Chief Forester.</p>	<p>This designation will ensure the decision can be reviewed in a timely manner. Each designation is to an official with the necessary expertise and experience to adjudicate these matters and can ensure provincial consistency in their administration.</p> <p>The designation is consistent with the <i>Forest Act</i> as it was prior to Bill 13, <i>Miscellaneous Statutes Amendment Act (No. 2), 2011</i>.</p>

Forest Act Regulations Designations

Section	Designation	Rationale
Advertising, Deposits, Disposition and Extension Regulation section 13 (2) [Forfeiture of deposit for not entering into agreement] This section provides the Minister or a person authorized by the Minister to waive forfeiture of a deposit for not entering into an agreement.	Regional Executive Directors District Managers	Designating the Regional Executive Directors and District Managers is consistent with related provisions under the Advertising, Deposits, Disposition and Extension Regulation and allows for operationally consistent decisions regarding deposits.
BC Timber Sales Regulation section 19 (2) [Forfeiture of bid deposit or standing bid deposit for not entering into agreement] This section provides the Minister or person authorized by the Minister authority to relieve an applicant from a deposit forfeiture imposed due to an applicant not entering into a timber sale licence.	Assistant Deputy Minister, Timber Operations and Pricing	Designating the Assistant Deputy Minister, Timber Operations and Pricing, is consistent with the assistant deputy minister's role in ensuring provincial consistency for decisions that can impact the market pricing system.
BC Timber Sales Regulation section 21 (5) [Forfeiture of deposit for non-compliance with agreement] This section provides the Minister or Minister's delegate authority to relieve a timber sale licence holder from realization of the holder's deposit due to non-compliance or the forfeiture of the deposit for failure to harvest under the licence.	Assistant Deputy Minister, Timber Operations and Pricing	Designating the Assistant Deputy Minister, Timber Operations and Pricing, is consistent with the assistant deputy minister's role in ensuring provincial consistency for decisions that can impact the market pricing system.
