NOTICE TO COAST REGION LOG EXPORTING AND INTERESTED PARTIES

Minimum Volume for Remote Timber to be Advertised for Export

Please be advised that the policy of minimum advertising volume of 2,800m³ for timber located in remote area is being withdrawn for provincial jurisdiction log exports.

Advertising volumes will be monitored and, if it is considered that a change is required to ensure domestic buyers have adequate opportunity to view and submit offers, the minimum volume requirement or some other corrective requirement may be reinstated.

Yours truly,

Christine Gelowitz
Director, Policy and Trade Relations Branch
