NOTICE TO ALL LOG EXPORTING AND INTERESTED PARTIES

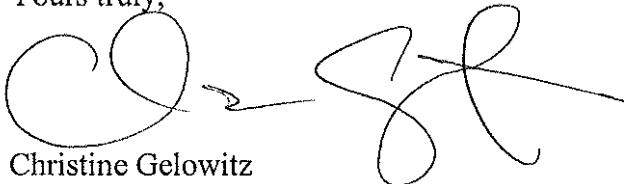

Please be advised that a copy of the exporter's valid sales invoices will no longer be required as part of the (FS38) application for an export permit for provincial jurisdiction log exports.

This notice cancels item 3 of the Coast Log Export Policy Changes document, dated August 20, 2004.

The Department of Foreign Affairs and International Trade will still require the export value to receive a federal export permit.

Yours truly,

Christine Gelowitz
Director, Policy and Trade Relations Branch
