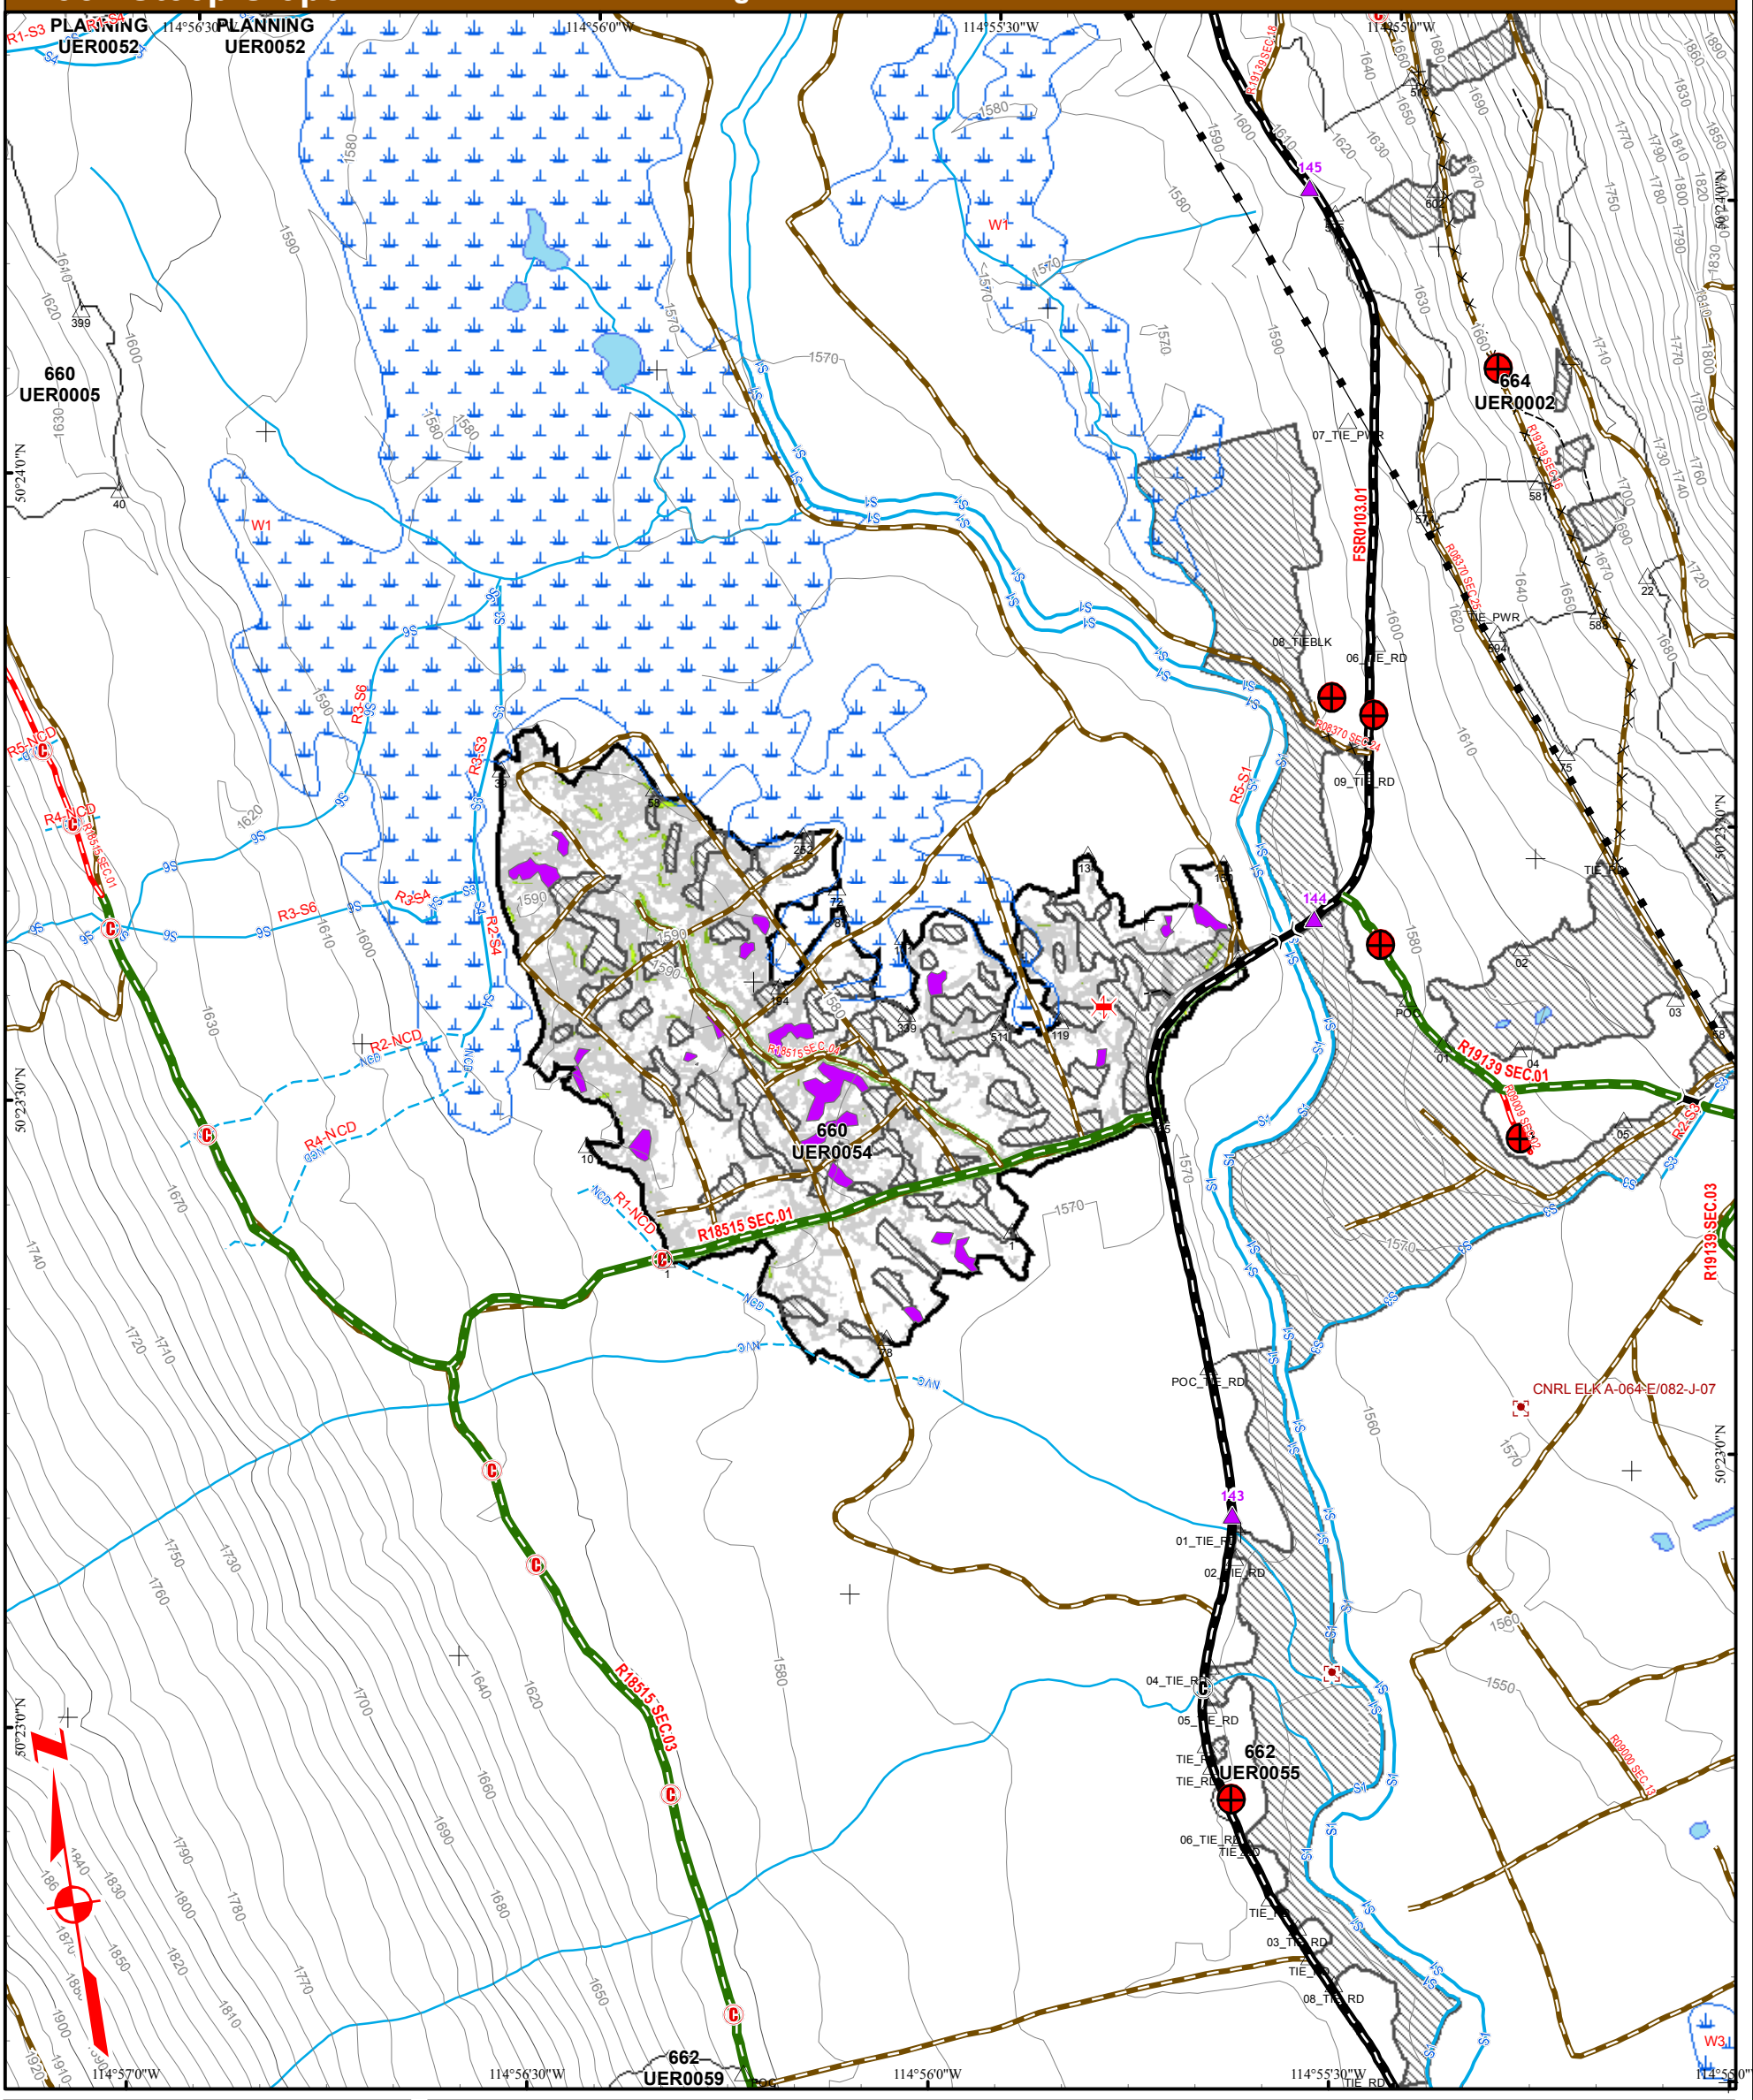
Block Steep Slope

Lat: 50.390721 Long: -114.932019 F.L.: A19040 CP: 660 Block ID: UER0054



Block Information

Gross Block Area (ha): **53.6**
Operating Area: **Upper Elk**
Mapsheet: **82J046**
Timbermark: **EZ5660**
Max. Elev. (m): **1597**
Min. Elev. (m): **1562**

50 25 0 50 100 150 Meters

Scale = 1:10,000

Date: 12/2/2020 Created By: Bjerstedt, Erik

Canadian Forest Products Ltd. Kootenay

WARNING: Slope map is based on TRIM and LiDAR data only and is intended only as a tool to locate steeper slopes. Field verification should be done for areas indicated as being over 35%.
