

WATERSHED RULES

of

Failure to adhere to the requirements of these rules shall be grounds for immediate eviction from the watershed and may result in permanent cancellation of entry privileges.

WATERSHED RULES

The following rules are for the protection of the water sources in the watershed from pollution and disease.

Please follow these rules as the only water treatment used by the City of Nanaimo is fine screening and chlorination. This minor amount of treatment is made possible because people like you follow the rules of the watershed.

- No person shall enter the watershed who is ill with diarrhea or who has had diarrhea recently.
- All persons in the watershed will use the sanitary facilities provided. Locations will be on the map issued at the gate.

**USE THE
PORT-A-POTTI**

- The disposal of refuse in the watershed is prohibited.

**PLEASE TAKE OUT
WHAT YOU TAKE IN**

- Care must be taken when handling gas or petroleum products in the watershed.

**NO GAS TO BE
SPILLED IN THE
WATERSHED**

- All equipment used in the watershed must be in sound mechanical condition.

NO OIL LEAKS

- There is no overnight camping.
- No person shall bathe or wash laundry in creeks, streams, rivers or lakes within the watershed.

NO SWIMMING

- Fishing is prohibited in the watershed.

NO FISHING

- Cutting trees and cutting firewood by the public is prohibited.

HUNTERS

- Clean and leave animal remains no closer than 25 meters from streams or natural water courses.
- No open fires permitted.
