Variations, and Updates

MoFR Information Management Branch
Module 3 – RESULTS Amendments, Approved Variations and Updates
February 2009

Amendments and
Updates 1

RESULTS Training
Amendments and
Updates

Agenda

- Process
 - 5 steps to complete an amendment in RESULTS
- Demonstration
 - Updates
 - Corrections
 - Minor Amendments
 - Major Amendments
 - Approved Variations
 - Site Plan Amendment
 - Learning Objectives
 - Understand the types of changes that can be made based on whether there is a site plan or a silviculture prescription in place
 - Understand how to complete corrections, approved variations and amendments to openings using the RESULTS application

Amendments and
Updates 2

RESULTS Training
Amendments and
Updates

Process - Amendments

- Step 1: determine what type of plan you are working with (as this will dictate what types of changes can be made)
 - Silviculture Prescriptions - identified by lack of standards regime ID # on RESULTS310-Stocking Standards page
 - Applies to ML Silviculture Prescription and Woodlot Site Plan
 - Site Plans – identified by presence of standards regime ID # on RESULTS310-Stocking Standard Page
 - Applies to ML Site Plan, Woodlot Pre-Harvest Maps, and FFT treatment Prescriptions

Amendments and
Updates 3

Process - Amendments

- Step 2: determine why type of change you are making
 - For Silv Prescriptions there are three options
 - Corrections (for Correcting RESULTS)
 - (Minor) Amendments (No Approval Required)
 - (Major) Amendments (Approval Required)

Well Spaced Trees / ha		Residual Basal Area (m2/ha)	Post Spacing Density (t/ha)
Target:	1600		
Min Horiz (m):	500		
Min Pref:	500		
Min:	700	0	400
Max:			1600
Max Coniferous (t/ha):	500		

Amendments and Updates 6

RESULTS Training
Amendments and Updates

Process - Amendments

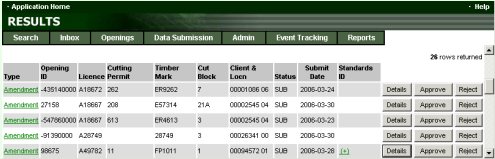

- Step 4: Submission/Saving
 - For Silviculture Prescriptions
 - Minor amendments and Corrections are considered to be in affect once the save button is clicked (unless deemed to be unacceptable by MoFR later on)
 - Major amendments must be submitted to the MoFR RESULTS InBox for review
 - For Site Plans
 - Approved Variations and site plan Amendments are considered to be in affect once the save button is clicked (unless deemed to be unacceptable by MoFR later on)

Amendments and Updates 7

RESULTS Training
Amendments and Updates

Process - Amendments

- Step 5: for Major Amendment to Silviculture Prescriptions only
 - MoFR will have to check the RESULTS InBox for proposed amendments
 - Review the proposed amendment
 - Approve or reject the proposal in the InBox
