

## **Submitting Forest Cover to RESULTS for Openings with Treed Retention – Interim Procedures Training Feb 2010**

We will be offering four training sessions on *RESULTS Submitting Forest Cover to RESULTS for Openings with Treed Retention*. New reporting procedures came into effect as of July 28, 2009 while RESULTS reserve codes reflected the procedural changes as of December 1, 2009.

Ministry of Forest will be using Live Meeting for web-based training delivery. To participate in these training sessions, you will be required to download a free client software if you have not used Live Meeting already. Information on downloading this software will be indicated in the registration confirmation email.

Self-registration will be done via the following link:

<https://www106.livemeeting.com/cc/mofforestpracticesbranch/loginPage>

Note that you do not need to login to register.

Go to **Register – Public Events for the session of interest**.
