

Integrated Forestry Project – RRS Schema Change Notification

Updated: May 29, 2019

Changes to the Resource Roads System Schema (RRS)

Please be advised that there is an update to the Draft Resource Roads System schema.

The Road section feature element: “amendment type” will change from *AlphaNumeric3* to *AlphaNumeric10*.

The new amendment type codes will be:

Old Code	Old Code Name	New Code
ADD	ADD	INCREASE
REN	RE-ENGINEERING	REENG
RMV	REMOVE	SHORTENING

For more details on these changes, the new schema can be found at:

ftp://ftp.for.gov.bc.ca/HTH/external/!publish/FTA10_RSS1_Schema/

What do you need to do?

Users should ensure software or service providers are aware of the upcoming changes to RRS for road permit applications.

More Information

We will share more specific details with you as they become available. In the meantime, if you have any questions about the schema, please contact ForestTenuresBranch@gov.bc.ca.
