To: Regional Managers - Coast

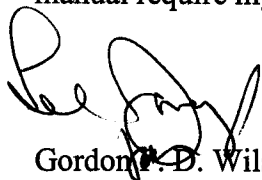

From: The Honourable Gordon F. D. Wilson
Minister of Forests

Re: Amendment No. 1 to the *Coast Appraisal Manual*

I hereby approve Amendment No. 1 to the *Coast Appraisal Manual* and attach a copy for your use.

Section 4.6.3.2.b has been amended to include a cost estimate for Freight by Air or Water Only to accessible Queen Charlotte Island operations.

This amendment will come into force on June 1, 2001. Further amendments or revisions to this manual require my approval.

A handwritten signature in black ink, appearing to be "Gordon F. D. Wilson".

Gordon F. D. Wilson
Minister of Forests

MANUAL TITLE

Coast Appraisal Manual

REVISION No.

1

ISSUE DATE

June 1, 2001

PUBLICATIONS CO-ORDINATOR

Judy Laton
Revenue Branch

AUTHORIZATION (Name, Title)

W. Howard
Director, Revenue Branch

Please make the following changes to your copy of the above Ministry manual. Please insert the following specified pages and **file this notice** immediately after the Amendments Tab.

ACTION (Remove/Insert)	(VOL.) CHAPTER-SECTION-SUBJECT	PAGE(S)	COMMENTS
Remove	Chapter 4 - Operating Cost Estimates	35 and 36	
Insert	Chapter 4 - Operating Cost Estimates	35 and 36	
Insert	Minister's Letter & Manual Transmittal		After Amendments Tab

b. Freight by Air or Water Only

The following cost estimates apply where all freight in/out of the camp must be shipped via air or water (not by road):

- i. if the camp is not serviced by regularly scheduled public marine transportation services that can accommodate commercial vehicles.

The cost estimate is: \$0.62/m³

- ii. if the camp is on the Queen Charlotte Islands and is classified as 'accessible'.

The cost estimate is: \$0.38/m³

c. Cookhouse and Bunkhouse

The cookhouse estimate includes the camp costs described above, plus the non-recoverable costs incurred for providing the logging crews with cookhouses, family quarters and bunkhouses. These facilities must either exist, or are being constructed, and over 80 percent of the logging crew must reside in camp.

The cost estimate for camp, cookhouse and bunkhouse is: \$2.75/m³

4.6.4 Low Volume Cost Estimate Additive

All fully appraised cutting authorities may be eligible for a low volume cost estimate additive.

The cost estimate additive is: $\$/\text{m}^3 = 7.38 - [0.00246 (V - 2\ 000)]$

Where:

- V is the lesser of the cutting authority net cruise volume or the licence's allowable annual cut of Crown timber (if applicable),
- V must be less than or equal to $5\ 000\ \text{m}^3$,
- The licence, under which the cutting authority has been issued, has an Allowable Annual Cut of Crown timber not exceeding $10\ 000\ \text{m}^3$,
- The maximum cost estimate is $\$7.38/\text{m}^3$.

4.6.5 Clayoquot Sound

A cost estimate of $\$19.52/\text{m}^3$ will be included in appraisals of cutting authorities in the Clayoquot Sound area (as defined below).

The Clayoquot Sound area is defined as Hesquiat Peninsula, Esowista Peninsula, the Islands, sea and all lands and waters draining into the Pacific Ocean from the height of land between Escalante Point in the north and Quisitis Point in the south.
