- That copyright and ownership remains exclusively with the Province of British Columbia
- A statement that you are not the official source of this information
- A statement that there is no implied endorsement from the Province of British Columbia
- An errors and omissions statement that says the Province of British Columbia is not responsible for the accuracy and completeness of the information you are distributing
- A limitation of liability to the Province of British Columbia from any damages arising from the use of the material being distributed

The conditions of a licence may include the above copyright release conditions, plus:

- Posting of a notice of intent for non-exclusive licences or an open bidding process for exclusive licences
- Schedules and amount of royalty payments to the Province of British Columbia
- Duration of licence agreement and conditions of renewal or extension
- Requirements for reporting
