## Copyright statement

Copyright of this material belongs exclusively to the Province of British Columbia. This copy is intended for private study or research purposes only.

No person or entity is permitted to reproduce this material, in whole or in part, for distribution either free of charge or for 'commercial purposes', unless that person or entity has a signed licence agreement with the Intangible Property Program for British Columbia. Reproduction for commercial purposes is reproduction for the purposes of sale, rent, trade or distribution, or posting it on the Internet or on electronic bulletin boards. Further details over these and other government-owned works can be obtained by reference to the *Federal Copyright Act*.

## Freedom of Information versus Copyright Releases and Licences

The *Freedom of Information and Protection of Privacy Act* gives you access to material for private study or research purposes only. It does not, in any manner, give you copyright release. A copyright release authorizes you to reproduce and distribute the information for a non-profit purpose. An exclusive or non-exclusive licence authorizes distribution for profit.

Copyright releases, in the majority of cases, only cover portions of documents. It is general practice that any person wanting to reproduce whole documents, even for non-profit purposes, must obtain a license agreement.

The conditions of a copyright release may include that you publish with the material:

- A disclaimer that states that you are not the owner of the information you are distributing
- That copyright and ownership remains exclusively with the Province of British Columbia
- A statement that you are not the official source of this information
- A statement that there is no implied endorsement from the Province of British Columbia
- An errors and omissions statement that says the Province of British Columbia is not responsible for the accuracy and completeness of the information you are distributing
- A limitation of liability to the Province of British Columbia from any damages arising from the use of the material being distributed

The conditions of a licence may include the above copyright release conditions, plus:

- Posting of a notice of intent for non-exclusive licences or an open bidding process for exclusive licences
- Schedules and amount of royalty payments to the Province of British Columbia
- Duration of licence agreement and conditions of renewal or extension
- Requirements for reporting

## Where to obtain a copyright release or licence

All requests for copyright releases and licences are handled by the Province of British Columbia, Intangible Property Program, Ministry of Finance and Corporate Relations.
