

NOTE: This drawing is an instrument of service and must only be used in conjunction with the Project Manual and all other drawings, specifications, and conditions of contract. The Contractor shall verify the accuracy of all dimensions, elevations, and dimensions on site and request clarification, if necessary, prior to construction. The Contractor shall be responsible for any discrepancies or omissions as soon as they are discovered prior to execution of any work. The Contractor shall be responsible for all works with the requirements of the Authorities Having Jurisdiction. Written architectural dimensions take precedence in drawings. Do not scale.
