"EXAMPLE OF ONGOING POSTING"

RESOURCE TECHNICIAN

Scientific/Technical Officer 18 - Res
NORTHERN INTERIOR FOREST REGION
\$42,525 - \$48,522
OUT-OF-SERVICE

Ministry of Forests and Range, Northern Interior Forest Region, Operations - The British Columbia Forest Service, a world leader in forest management, is building a diverse workforce of people who enjoy working in the resource management field, are service and team oriented, and eager to work with us in a variety of challenging roles. We expect our employees to be self starters, interested in life long learning and continuous improvement, and willing to play a key role in shaping the forests for future British Columbians.

We are seeking qualified employees to perform technical duties that support forest and range resource planning and management in areas such as silviculture, timber harvesting, forest roads, compliance and enforcement, valuation, range, and integrated resource management; review forest and range land use plans, licenses and contracts and recommends amendments. Perform other related duties.

Qualifications - Diploma in resource or forestry management and two years of related experience or the equivalent combination of training and experience such as four years of operational forestry experience; working knowledge of and practical ability to apply legislation, regulations, policies and procedures relating to the position; developed ability to organize, plan and evaluate; developed ability to communicate well verbally and in writing; developed ability to work under limited supervision; practical ability to meet and deal effectively with the public and industry personnel; practical ability to use computers including word processing, spreadsheets and email; must be physically able to withstand the rigors of field work; and positions require a valid BC Driver's License or the ability to obtain one within 30 days.

To be considered for this competition you must complete the BC Government Employment Application form available at _____. Prior to submitting an application you must visit the following _____ for a complete list of duties and qualifications. Your application must clearly identify how you meet the position requirements.
