

"EXAMPLE OF ONGOING POSTING"

TENURES/STEWARDSHIP/COMPLIANCE AND ENFORCEMENT FORESTER

Licensed Science Officer Forest 2
NORTHERN INTERIOR FOREST REGION
\$48,564 - \$58,045
OUT-OF-SERVICE

Ministry of Forests and Range, Northern Interior Forest Region, Operations - The British Columbia Forest Service, a world leader in forest management, is building a diverse workforce of people who enjoy working in the resource management field, are service and team oriented, and eager to work with us in a variety of challenging roles. We expect our employees to be self starters, interested in like long learning and continuous improvement, and willing to play a key role in shaping the forests for future British Columbians.

Districts of the Northern Interior Forest Region are seeking qualified employees to perform professional duties to support the development, implementation and evaluation of strategic and operational plans and stewardship initiatives in the district. The successful candidate will provide management and professional guidance to evaluate forest and range practices and standards, review and make professional recommendations of management plans, operational plans, and amendments; and inspect, investigate and enforce statutory compliance with forest and range practices, forest and range tenures and fire control legislation.

Qualifications - Bachelor of Science in Forestry or Natural Resource Management and three years of progressive and directly related forestry experience or equivalent combination of education and experience. Registered Professional Forester (RPF) registered or eligible for registration as an RPF with the Association of BC Forest Professionals (ABCFP). Lesser qualified applicants such as Forester in training or participants in the Pupil program may be appointed at a lower level. Working knowledge of forest resource management practices; working knowledge of regulatory framework, strategic and operational planning processes, project/contract administration, quality control monitoring concepts and activities; and basic knowledge of rules of evidence, rule of law, investigation techniques and procedures. Demonstrated ability to write clear and concise reports, communicate information of a complex and technical nature in a manner appropriate to the audience; work in a highly computerized environment. Valid BC Driver's License or the ability to obtain one within 30 days.

To be considered for this competition you must complete the BC Government Employment Application form available at _____. Prior to submitting an application you must visit the following _____ (3 job descriptions) for a complete list of duties and qualifications.
