Mountain Pine Beetle / Hydrology mapping
Okanagan Shuswap District

Watershed Atlas 50K

Harvest / Vegetation Disturbance

Pine (40% and greater)

Parks and Protected Areas

Forest Service Road

Road Permit

Roads - other

Area summaries are available as a seperate table, The summaries are by watershed. The table associated with this map is called: **Watershed_Summary_OkanaganShuswap.xls**

NOTE:
Some disturbance Areas have Regenerated Pine Leading. As a result, these areas are included in both Pine and Disturbance Area Summaries.

Forest Cover data for TFL's and Parks are not included.
Logging data extracted from hse_forest_vegetation.veg.comp.poly and is the best available data at the time. Please note there may be inconsistencies in this data.
