RECOMMENDATIONS:

*The correct total estimated tender price is entered here for bids 3 and 4.
"Total ESTIMATED Bid Price, is for evaluation purposes only and the unit rates shall take precedent for the Contract."

When the "Total Estimated Bid Price" is inaccurate yet the extended unit rate x # of units is accurate, then this tender may be acceptable as long as the change in actual estimated bid price ranks them lowest still this is okay because the bottom price is an 'estimate' and used for evaluating purposes only of the lowest qualified bidder.

Recommend award to bidder #3
