Dear Charles van Hemmen:

This letter constitutes a major amendment to the BCTS Lillooet FSP, extended March 31, 2012 to March 30 2017, in accordance with *The Forest and Range Practices Act*, General Bulletin 27. The purpose of this amendment is to complete the addition of Marble Canyon Forestry Ltd (MCFL), Ts'kw'aylaxw Forestry Ltd (TFL) and T'itq'et First Nation (0939397 BC Ltd) as partners to the BCTS Lillooet FSP.

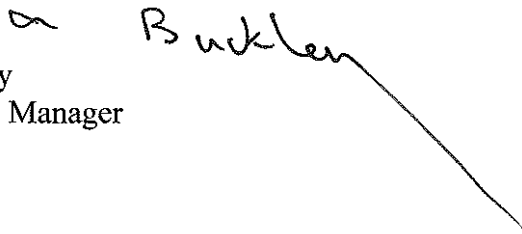

This amendment consists of adding the following licences: NRFL A69960 for Marble Canyon, RFL A89368 for Ts'kw'aylaxw, and NRFL A89369 for T'it'q'et to the BCTS Lillooet FSP. This will enable planning and forest operations for these licences in accordance to the approved Forest Stewardship Plan.

Where activities under authority of this FSP are to occur under NRFL A69960, RFL A89368 and NRFL A89369, "TSM" shall be replaced with "license holder", and the "license holder" is solely responsible in ensuring consistency with the Results and/or Strategies contained in this FSP. The license holder is also responsible for all planning activities, including stakeholder referral and First Nation referrals and consultation. Additionally references to BCTS will be changed to "license holder".

Please contact Ian Black, Planning Forester at the Kamloops TSO office (250-371-6547) if you have any questions or comments regarding this amendment.
