Notice of Project: 882923
Forestry

Submitted: Tuesday, March 30, 2021 at 2:57 p.m. Pacific Time

Except as permitted by OHS regulation 26.4(3), WorkSafeBC must be provided with at least 24-hour written notice prior to the start of forestry activities expected to last more than 5 days. If the forestry activity includes the aerial transport of wood products, then WorkSafeBC must be notified at least 2 weeks in advance of the project start date, as per the requirements of OHS regulation 29.16.

Limitations
Neither the issuance of a Notice of Project number, nor the absence of follow-up action by WorkSafeBC indicates acceptance or approval of the information provided. If you have any safety concerns regarding this project, contact the person in charge of this project or WorkSafeBC prevention information line at 604.276.3100 or 1.888.621.7233.

Significant changes
If the information on the Notice of Project significantly changes, the new information must be submitted to WorkSafeBC as soon as possible and posted at the worksite.

To update the information, provide WorkSafeBC with the Notice of Project number, the worksite address, and a summary of the changes you want to make by either:

Email: prevnop@worksafebc.com
Fax: 604.276.3247
