- Priority OG Deferral Area
- Approved Block
- Regenerating Block
- Free to Grow Block
- Private land
- Recreation Area
- Parks and Protected Areas

DISCLAIMER:
The blocks and roads presented in this referral are in the preliminary planning stages. The locations are to the best of our current knowledge and demonstrate areas of interest. They may change as we gather more information. Typically they get smaller but we included the buffer to capture any small lateral footprint changes.

Important: Proposed blocks and roads are preliminary planning shapes only; final block boundaries and road locations, shape, size and reserve timber will be determined following field work and assessments.
