

Please note that the orange-coloured areas on the map are “information gathering polygons”. By consulting on a larger area, it introduces flexibility for smaller cutblocks and roads to be developed within, as concerns are identified and accommodated during our consultation process. It is not anticipated that this entire area will be developed. Final cutblocks will not exceed the maximum cutblock sizes as per the Forest and Range Practices Act (FRPA).

Operating Plan #16 Boundary West Kettle

- POD
- OP16 Re-Referral Slivers
- OP 16 Proposed Blocks
- Previously Referred Blocks Final
- Operating Areas
- Major Highways
- MOT Roads
- Road Permit
- Forest Service Road
- Deactivated Road
- Existing Road
- Proposed Road
- Recreation Trail
- Mountain Goat Range
- Moose Range
- Ungulate Winter Range
- Troughs
- Cattlegrads
- Fence
- Wildlife Tree Reserve Area
- Other Reserves
- Amending Silviculture Prescription: Approved
- Stream
- Wetland
- Waterbodies
- Partial Retention
- Modification
- Private land

Important: Proposed blocks and roads are preliminary planning shapes only; final block boundaries and road locations, shape, size and reserve timber will be determined following field work and assessments.
