BCTS BC Timber Sales

VAST RESOURCE SOLUTIONS

TSL A95528 Location

Leaving Cranbrook, drive NE until reaching the junction of Hwy 95 and Hwy 93. Proceed SE on HWY 93 for approximately 52.7km. Turn off highway 93 and onto the Kikomun Road. Continue SW on this road until reaching the four-way intersection. Proceed straight through the intersection toward Lake Koocanusa. Cross the Bailey bridge and keep on the road until the pavement ends. The end of pavement is the beginning of the Teepee Creek FSR. Keep straight and continue up Teepee Creek to the "21km" sign. Turn right at the junction immediately after the km marker. This will be the common junction for TSL A95528.

TSL A95528 Access (Blk 4)

From the common junction, proceed north for approximately 2.7km. Orange flagging with the words "BCTS Harvest Boundary" will be visible. This is A95528 Blk 4.

TSL A95528 Access (BLK 3 and 2)

Continue north past A95528 Blk 4 for 2.3km. On the left will be the junction with the Wardner South FSR. A95528 BLK 3 is at this junction. Again, the harvest boundary will be flagged with orange ribbon with black wording of "BCTS Harvest Boundary". Access to the remainder of the block is from the Wardner South FSR. The block has been designed for roadside decking.

A95528 Blk 2 is 600m past A95528 Blk 3 and is situated on the uphill side of the FSR. Like Blk 3, Blk 2 is designed for roadside decking.

TSL A95528 Access (Blk 1)

From the junction with the Wardner South FSR Junction, continue NW following the road along Lake Koocanusa. Continue up this road for approximately 4.1km. On the left, pink ribbon with glo-black lettering "Road Centerline" should be visible. This indicates the location of CRPLA95528 Sec 2, accessing A95528 Blk 1.
