PRODUCT DESCRIPTION

Chontrol Peat Paste is a biological herbicide for the inhibition of resprouting and regrowth from the cut stumps of red alder and sitka alder in rights-of way and forest vegetation management. This product will colonize the cut stump surface and will inhibit the resprouting and regrowth of red alder and sitka alder. Chontrol Peat Paste inhibits resprouting of cut stumps by colonizing and decaying the stumps. This product will reduce the stem density of a treated site that is managed by mechanical brush cutting. The level of inhibition obtained may vary with the susceptibility of the target tree species and environmental factors which influence fungal growth and development. Chontrol Peat Paste is a paste formulation in one-litre squeeze bottles. One bottle of Chontrol Peat Paste will treat approximately 200 stumps with a diameter of 2 to 6 cm on the cut surface.

DIRECTIONS FOR USE

Apply Chontrol Peat Paste to freshly cut stumps during the growing season, from late summer to early fall and when conditions are conducive for fungal growth and infection. Apply a thin layer of paste on the entire surface of the cut area within 30 minutes of cutting. Entire contents in the bottle must be used on the same day after opening. Do not mix Chontrol Peat Paste with chemical pesticides including herbicides.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. May cause sensitization. Avoid contact with eyes, skin or clothing. Wear a long-sleeved shirt, long pants, shoes plus socks and water-proof gloves when handling, mixing/loading or applying the product, and during all clean-up and repair activities. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL PRECAUTIONS

Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning equipment or disposing of equipment washwaters.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE

Store at 4°C. Use within 90 days of the Date of Manufacture.

DISPOSAL

1. Triple- or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
