Notice Type: Road or Forest Closures/Restrictions
Issuing Office: Okanagan-Columbia Timber Sales Office
Title: Forest Service Road Deactivation and Closures - Okanagan-Columbia Business Area

Notice – Forest Service Road Deactivation and Closure

Under Section 121 (9) of the Forest Act, Branches and partial Branches of several Forest Service Roads are in the process of being discontinued and permanently closed.

See the attachment for the list affected FSRs and Maps are available for download at the following FTP address:
https://www.for.gov.bc.ca/ftp/TOC/external/!publish/Notice%20FSR%20Deactivation%20and%20Closure/

These roads were built or utilized by BCTS and now are surplus to industrial needs. The Ministry does not have the ability to maintain surplus roads. If any stakeholders identify roads that should remain open and be maintained, the ministry can reassign the maintenance obligations to them through the issuance of an applicable tenure. Roads which are not reassigned to new tenures will be scheduled for permanent deactivation.

The Ministry is sending this notice to provide an opportunity for stakeholders to review the surplus roads and identify any additional roads that should remain open and maintained for industrial activity.

If you have any comments or questions concerning these closures please contact Kevin Hodder at (250) 309-7899 or email Alex.Soukup@gov.bc.ca
