ID	Class	Comments		
N/A			From Fort St John, head north on HWY97N for 76km. Turn left onto Upper Halfway Road. Travel 54km (eventually turning into Halfway Graham Road). Turn right, after the bridge, onto Simpson Road and continue for 15.8km. Turn left and travel on R104090A (10-014-01) for 2km, then make a slight left onto R21928A (A95526-10052-A). Travel for 2.07km. The proposed road is on the right.	
10102 Safety Concerns Maintain natural drainages. There are no timing restrictions due to migratory birds. Chance find and stop work procedures apply. Fall away from external WTPs, adjacent blocks, and the block boundary.				
10102 Harvest Contraints This block is located within a mapped caribou herd range. To minimize ground disturbance, winter harvest with frozen snow covered ground conditions. Limit herbicide use. Prescribe road deactivation and visual buffers to minimize potential external pressure on caribou populations. No lichens were found during development. Pockets of subalpine fir regeneration are present; retain all understory regeneration where operationally feasible and safe to do so. Harvesting within Area of Special Concern is scheduled to occur under winter conditions with snowpack to prevent ground disturbance or via reaching in with the machinery and leaving tree stumps intact.
