BRITISH COLUMBIA

ORDER

AMENDMENT FOR UNGULATE WINTER RANGE #U-1-001 UNIT 13

This order is given under the authority of Sections 9(2) and 12(1) of the *Government Actions Regulation* (B.C. Reg. 582/2004).

The Director of Resource Management of the West Coast Region, Ministry of Forests, Lands and Natural Resource Operations orders that:

1. The boundary of Unit 13 in Ungulate Winter Range U-1-001 is amended, as shown on the attached map "Amendment to UWR U-1-001 Polygon Unit No. 13" and contained in the UWR spatial layer stored in the GeoBC Geographic Warehouse (WHSE_WILDLIFE_MANAGEMENT.WCP_UNGULATE_WINTER_RANGE_SP). The centre point of the line on the map denoting the UWR is what establishes the boundary;
2. The boundary replaces the boundary approved for Unit 13 on October 18, 2004, for Black-tailed Deer (*Odocoileus hemionus columbianus*) and Roosevelt Elk (*Cervus elaphus roosevelti*);
3. Where there is any discrepancy between the UWR boundaries as shown in the attached map and the UWR spatial layer stored in the GeoBC Geographic Warehouse, the boundaries as detailed in the UWR spatial file will take precedent; and,
4. The objectives established for Ungulate Winter Range U-1-001 on September 13, 2001, titled "Objectives for the Management of TFL 37 Ungulate Winter Ranges" and the general wildlife measures established for Ungulate Winter Range U-1-001 on October 18, 2004, continue to apply.

Signed this 29 day of September, 2016

Larry Barr P. Agr.
Director, Resource Management
West Coast Region
Ministry of Forests, Lands and Natural Resource Operation
